The Council for Tobacco Research
900 Third Avenue
New York, N.Y. 10022
U.S.A.

Dear sirs :

I wrote to you on December 6th, 1988, but as I have not received any answer as yet, I am sending to you this second letter.

I would greatly appreciate if you could send to me information about the requirements for applying to Research Grants from The Council for Tobacco Research.

I am professor of Biochemistry at the Universidad de Santiago de Chile, and my research interests are related to the structure, function and regulation of yeast enzymes.

Sincerely yours,

Cardemil
